

# 2021-2022 PARENT ENROLLMENT GUIDE

## Hello Parents and Guardians!

As you all may know, the registration forms must be completed annually for each student attending Dallas ISD. This allows the district to obtain critical information needed for state reporting and ensures schools have the most up to date contact information for parents and guardians to receive important school information. If they have not been submitted for your child, please follow the instructions below!

The registration forms for the 2021-2022 school year are now available through the Choose Dallas ISD Website. There are two ways of getting to this page:

1. Using the direct link: [Choose.DallasISD.org/login](https://Choose.DallasISD.org/login)

2. Through your PowerSchool account using the “School Mint” link at the bottom left of the Navigation Menu.

**Please note:** the navigation menu will only appear if you log in to your PowerSchool account through the web version of the site ([Dallasisd.powerschool.com/public](https://Dallasisd.powerschool.com/public)), not the PowerSchool mobile app.

## ONCE YOU ARRIVE AT THE CHOOSE DALLAS ISD SITE, YOU WILL HAVE THE OPTION TO EITHER **SIGN IN** OR **CREATE AN ACCOUNT**.

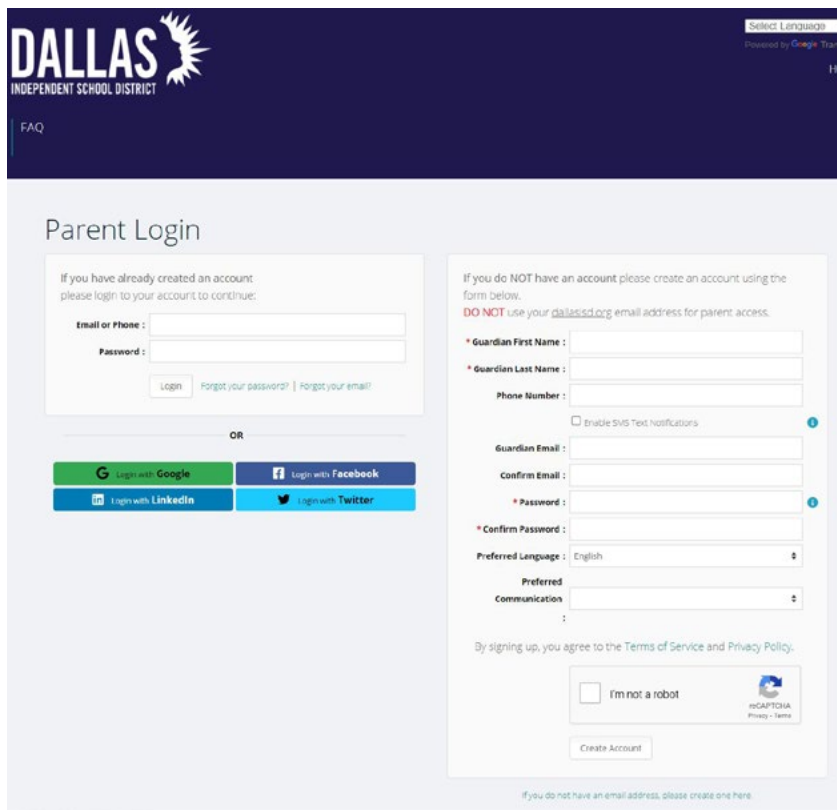

If you applied to a Dallas ISD choice program for the 2021-2022 school year, for any child in your household, please login with the same credentials you used to apply.

If you **did not** submit an application, then please create an account **even if you have a PowerSchool account**.

**For your records:** Use the space below to note the email address and password used to create your account, if needed
